

Stop the spread of germs that make you and others sick!

Visitors with a fever, cough or runny nose should not visit this facility for 5 days. If you must visit, stay at least 3 feet away from others.

Use a tissue or the inside of your sleeve to cover your mouth and nose when you cough or sneeze. You may be asked to wear a mask.

Wash your hands, especially after coughing or sneezing. Lather and scrub for at least 15 seconds. Then rinse and dry your hands. Use alcohol-based hand sanitizer when soap and water is not available.

Get a flu shot and keep your vaccinations up-to-date. Staff with respiratory symptoms should report to their supervisor.

Protect the health and wellness of our residents, staff, volunteers & visitors.
