## 1.0 INTRODUCTION

Diagnosis and treatment of mental health conditions are essential to the physical health and quality of life of people living with HIV/AIDS (PLWHA). Psychiatric disorders are a barrier to medical care and adherence to medications, and several studies have found that depression, stress, and trauma can lead to HIV disease progression and increased mortality. Specific triggers that may lead to mental distress include the following:

- Learning of one's HIV infection;
- Stigma related to one's HIV status, sexual orientation, or gender identity;
- Disclosure of one's HIV infection to family and friends;
- Introduction of medication;
- Occurrence of any physical illness;
- Recognition of new symptoms or progression of disease (e.g., a major drop in CD4 cells, an increase in viral load);
- Necessity of hospitalization (particularly the first hospitalization); and
- The need to make end-of-life and permanency planning decisions.

Mental health services are required to meet the unique needs of PLWHA, who have higher rates of depression and substance abuse than the general public. Patients who consult a mental health provider are better able to cope with their diagnosis and heal from circumstances that preceded or result from their HIV diagnosis. Achieving better mental health outcomes may lead to a reduction in a client's sexual risk behaviors and improve HIV treatment adherence. Neuropsychological testing services are necessary to assist in the management of cognitive dysfunction in PLWHA because HIV, HIV medications, mental illness, and aging can complicate its diagnosis and treatment.

### 1.1 Purpose

The County of Los Angeles (County), Department of Public Health (DPH), Division of HIV and STD Programs (DHSP) seeks well-qualified Proposers to deliver mental health services, including proper diagnosis and treatment of mental health symptoms and disorders, in SPA 6 to HIV-positive, Ryan White Program (RWP) eligible Los Angeles County (LAC) residents. Interested organizations may submit one (1) proposal for one (1) or more service delivery sites in SPA 6.

### 1.1.1 Division of HIV and STD Programs

In 2011, in keeping with national efforts to better integrate HIV and STD public health efforts, DPH combined the HIV Epidemiology Program, the Office of AIDS Programs and Policy, and the STD Program to form DHSP. DHSP continues to work closely and collaboratively with community-based organizations, other governmental offices, advocates, and people living with HIV/AIDS as it seeks to control the spread of HIV and STDs, monitor HIV/AIDS and STD morbidity and mortality, increase access to care for those in need, and eliminate HIV-related health inequalities.

#### Mission

To prevent and control the spread of HIV and STDs through epidemiological surveillance; implementation of evidence-based programs; coordination of prevention, care and treatment services; and creation of policies that promote health.

#### Vision

New HIV and STD infections have been eliminated and persons with STD and HIV infections have improved health outcomes through access to high quality prevention, care and treatment services.

### 1.1.2 Mental Health Services (SPA 6 Only)

A full-range of mental health services shall be offered in SPA 6 to HIV-positive, RWP eligible clients with the objective of helping PLWHA better cope with their HIV diagnosis; better prepare for and adhere to HIV treatment; prevent HIV transmission; and heal from circumstances that preceded or resulted from their HIV diagnosis.

Mental Health services shall include at a **minimum**, Psychotherapy (individual, group, and family), Psychiatric Evaluation, Medication Management, Crisis Intervention, and Targeted Case Management. Every service modality listed must be provided at each distinct service delivery site. These services shall be provided in conjunction with a plan of coordinated care with both the client's

primary and HIV health care providers. The primary goal is to improve client mental health outcomes, thereby improving retention in health care services and increasing the likelihood of viral suppression.

A more detailed description of mental health services is provided in the RFP Appendix A, Statement of Work.

DHSP is seeking providers who can deliver mental health services in SPA 6 to RWP eligible clients living with HIV/AIDS who lack a third party payer source and have no other way to gain access to such services. Thousands of uninsured persons living with HIV/AIDS in LAC are not covered by any other program. There is an additional need for mental health services for underinsured RWP clients because most federal programs do not provide sufficient coverage for mental health treatment.

Services must be provided in accordance with the laws, regulations and specific practice guidelines provided by the State of California Board of Behavioral Sciences, American Psychiatric Association, and American Psychological Association for each specific service modality. Laws, regulations, and guidelines are available at: [www.bbs.ca.gov](http://www.bbs.ca.gov), [www.psychiatry.org](http://www.psychiatry.org) and [www.apa.org](http://www.apa.org).

Services shall also be provided in accordance with the standards of care, formulated by the Los Angeles County Commission on HIV (COH), which can be accessed at <http://hivcommission-la.info/soc.asp>. Proposers shall utilize an evidence-based approach appropriate for the target population for all mental health service interventions. A list of evidence-based interventions can be found at the National Registry of Evidence-based Programs and Practices (NREPP) at <http://www.nrepp.samhsa.gov>.

Providers selected under this RFP are required to accept referrals from any medical and/or mental health service providers.

## **1.2 Program and Technical Requirements**

### **1.2.1 Target Populations**

The target population is HIV-positive RWP eligible clients. There is

a particular emphasis on RWP eligible clients who also identify with or fall into one or more of the groups listed below:

- Homeless persons
- Women
- Incarcerated persons\*

Proposers may propose services to one (1) or more of these groups.

\*Note: Proposers seeking to provide mental health services to an incarcerated population shall: a) provide a Memorandum of Understanding (MOU) documenting an existing relationship with the County Sheriff's Department; or b) show other evidence of an agreement with the Sheriff's Department that allows Proposer access to the incarcerated population within 90 days of the start of a contract resultant from this RFP.

### **1.2.2 Location of Services**

Services must be provided in SPA 6. Proposers should strive to provide services in geographic areas within SPA 6 with high HIV/STD morbidity (see <http://publichealth.lacounty.gov/dhsp/Reports.htm> and scroll to "Mapping"). To determine if Proposer's service delivery site is in SPA 6, please visit, <http://gis.lacounty.gov/districtlocator/>.

### **1.3 Availability of Funding**

The estimated amount of funds available to support services under this RFP is \$500,000 annually and is based on the RWP Year 24 Mental Health Services Allocation for SPA 6. Funding is subject to future annual allocation by the Los Angeles County Commission on HIV; as well as federal, State and local resources availability. DPH intends to fund up to an estimated 4 service delivery sites. There is no maximum annual budget per service delivery site at this time and no maximum amount that a Proposer is allowed to propose.

The available funds and the number of awards are estimates and are subject to change. The County reserves the right to adjust the number of awards and the funding allocations based on needs of target populations and geographical areas of need. The amount of funding available to

support these services is also subject to the availability of funds from local, State, and federal resources.

Please note that the RWP is the payer of last resort and will support the provision of RWP services only to eligible clients not covered, or partially covered, by public or private health insurance plans.

## **2.0 CONTRACT FOR MENTAL HEALTH SERVICES IN SPA 6 FOR RWP CLIENTS**

### **4.1 Final Contract Award by the Board of Supervisors**

Notwithstanding a recommendation of a Department, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

### **4.2 County Option to Reject Proposals or Cancel Solicitation**

Proposers are hereby advised that this RFP is an informal solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. The County may, at its sole discretion, reject any or all proposals submitted in response to this RFP or may, in its sole discretion, reject all proposals and/or cancel the RFP in its entirety. #### **4.5 County's Quality Assurance Plan**

After contract award, the County or its agent will evaluate the Contractor's performance under the contract on a periodic basis. Such evaluation will include assessing Contractor's compliance with all terms in the Contract and performance standards identified in the Statement of Work. Contractor's deficiencies which the County determines are severe or continuing and that may jeopardize performance of the Contract will be reported to the County's Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Contract in whole or in part, or impose other penalties as specified in the Contract.

### **5.0 PROPOSER'S REQUIREMENTS AND CERTIFICATIONS**

#### **5.1 Notice to Proposers Concerning the Public Records Act**

5.1.1 Responses to this solicitation shall become the exclusive property of the County. Absent extraordinary circumstances, the recommended proposer's proposal will become a matter of public record when (1) contract negotiations are complete; (2) (Department) receives a letter from the recommended Proposer's authorized officer that the negotiated contract is the firm offer of the recommended Proposer; and (3) (Department) releases a copy of the recommended Proposer's proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055.

Notwithstanding the above, absent extraordinary circumstances, all proposals will become a matter of public record when the Department's proposer recommendation appears on the Board agenda.

Exceptions to disclosure are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by the Proposer as "Trade Secret," "Confidential," or "Proprietary."

5.1.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. The Proposers must specifically label only those provisions of their respective proposal which are "Trade Secrets," "Confidential," or "Proprietary" in nature.

5.1.3 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "confidential," "trade secrets," or "proprietary," Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

### **5.3 Mandatory Requirement to Register on County's WebVen**

Prior to a contract award, all potential Contractors must register in the County's WebVen. The WebVen contains the Vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at <http://camisvr.co.la.ca.us/webven/>

### **5.4 Protest Policy Review Process**

5.4.1 Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services contract, as described in sub-paragraph 5.4.3 below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described respectively in the sub-paragraphs below. It is the responsibility of the Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

5.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

#### **5.4.3 Grounds for Review**

Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services contract provided for under Board Policy No. 5.055 are limited to the following:

- Review of Solicitation Requirements (Reference Paragraph 7.3 in the Proposal Submission Requirements Section)
- Review of a Disqualified Proposal (Reference Paragraph 8.3 in the Selection Process and Evaluation Criteria Section)
- Review of Proposed Contractor Selection (Reference Paragraph 8.8 in the Selection Process and Evaluation Criteria Section)

## **5.5 Injury and Illness Prevention Program**

Contractor shall be required to comply with the State of California's Cal OSHA's regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

## **5.6 Confidentiality and Independent Contractor Status**

As appropriate, Contractor shall be required to comply with the Confidentiality provision contained in Paragraph 9 and the Independent Contractor Status provision contained in Paragraph 47 in Appendix C, Sample Contract.

## **5.7 Conflict of Interest**

No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse or economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Appendix D - Required Forms Exhibit 5, Certification of No Conflict of Interest.

## **5.8 Determination of Proposer Responsibility**

5.8.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and

experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Proposers.

- 5.8.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.
- 5.8.3 The County may declare a Proposer to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
- 5.8.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, the Department shall notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board of Supervisors that the Proposer be found not responsible. The Department shall provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.
- 5.8.5 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of

Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.

5.8.6 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

## **5.9 Proposer Debarment**

5.9.1 The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

5.9.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, the Department shall notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

5.9.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the

debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- 5.9.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 5.9.5 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- 5.9.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- 5.9.7 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment

or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.9.8 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

## **5.11 Gratuities**

### **5.11.1 Attempt to Secure Favorable Treatment**

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of the Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Contract.

### 5.11.2 Proposer Notification to County

A Proposer shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration.

### 5.11.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

## **5.12 Notice to Proposers Regarding the County Lobbyist Ordinance**

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists by completing and submitting the Familiarity with the County Lobbyist Ordinance Certification, as set forth in Appendix D - Required Forms, Exhibit 6, as part of their proposal.

### **5.13 Federal Earned Income Credit**

Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service (IRS) Notice No. 1015. (Reference Appendix I)

### **5.14 Consideration of GAIN/GROW Participants for Employment**

Proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the Proposers' employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

Proposers who are unable to meet this requirement shall not be considered for contract award. Proposers shall submit a completed, "Attestation of Willingness to Consider GAIN/GROW Participants", form, as set forth in Appendix D - Required Forms, Exhibit 9, along with their proposal.

## 5.17 Compliance with the County's Jury Service Program

The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix G, and the pertinent jury service provisions of the Sample Contract, Appendix C, Paragraph 31, both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

5.17.1 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

5.17.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person,

partnership, corporation of other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than \$500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

- 5.17.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception, Exhibit 10 in Appendix D - Required Forms, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

#### **5.18 Living Wage Program (Intentionally Omitted)**

#### **5.19 Notification to County of Pending Acquisitions/Mergers by Proposing Company**

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Required Form - Exhibit 1 - Proposer’s Organization Questionnaire/Affidavit. Failure of the Proposer to provide this information may eliminate its proposal from any further consideration. Proposer shall have a continuing obligation to notify County of changes to the information

contained in Exhibit 1 (Proposer's Organization Questionnaire/Affidavit) during the pendency of this RFP by providing a revised Exhibit 1 (Proposer's Organization Questionnaire/Affidavit) to the County upon the occurrence of any event giving rise to a change in its previously-reported information.

## **5.20 Proposer's Charitable Contributions Compliance**

5.20.1 California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective Contractors should carefully read the Background and Resources: California Charities Regulations, Appendix N. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

5.20.2 All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 19 as set forth in Appendix D - Required Forms. A completed Exhibit 19 is a required part of any agreement with the County.

5.20.3 In Exhibit 19, prospective contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

**- OR -**

- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

5.20.4 Prospective County contractors that do not complete Exhibit 19 as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

## **5.21 Defaulted Property Tax Reduction Program**

The prospective contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Property Tax Reduction Program, Appendix O, and the pertinent provisions of the Sample Contract, Appendix C, Paragraphs 78 and 79, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Property Tax Reduction Program applies to both Contractors and their Subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Property Tax Reduction Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Property Tax Reduction Program by completing Certification of Compliance with County's Defaulted Property Tax Reduction Program, Exhibit 21 in Appendix D – Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

## **5.22 Time Off for Voting**

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

It is important to note that each Program has a different definition for Small Business. You may qualify as a Small Business in one Program but not the other. Further explanations of these two Programs are provided in Paragraph 5.17 - Jury Service Program and Paragraph 5.18 - Living Wage Program of this solicitation.

Questions should be addressed to:

**Fallon Leau, Contract Analyst**

Proposer is advised that evaluators will disregard and not evaluate any information provided past the page limit. Proposer should respond to each question, as each question that does not have a response (e.g., no response, blank, etc.) will result in zero points for each instance where a response was not provided. Proposer must read the RFP carefully and follow all instructions, giving consideration to all requirements and requested documents as set forth herein when submitting their proposals to ensure that errors or omissions do not cause Proposer's submission to be deemed non-responsive and disqualified.

Proposer is admonished not to alter any Attachments, Exhibits, or any information provided either in hardcopy or electronic format, with the exception of filling in blanks in applicable response forms or complying with directions provided in said forms. If County determines that Proposer has altered or modified any County-provided forms or data in any other manner whatsoever, County may, in its sole discretion, determine the Proposer's submission to be non-responsive, and disqualified. In preparing the written proposal, the Proposer should do so in its own words and not copy the language in the RFP.

Proposer is advised that if the response in one document conflicts with the response given in one or more other documents, County reserves the right, in its sole discretion, to disqualify the proposal or to reduce the score accordingly. In circumstances where the copies of the proposal (including electronic versions) deviate from the original proposal, the proposal labeled "Original" shall be the ruling and presiding document.

Proposal and subsequent copies must be submitted in the prescribed format outlined below. Any proposal that is incomplete, missing required forms, and/or deviates from this format may be rejected without review at

Late proposals received after the due date will be time-stamped and returned unopened.

## **8.0 SELECTION PROCESS AND EVALUATION CRITERIA**

### **8.1 Selection Process**

The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP and to review, evaluate and select the successful proposal(s). The selection process will begin with receipt of the proposal pursuant to RFP Paragraph 7.2, RFP Timeline.

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department. The Committee will evaluate the proposals and will use the evaluation approach described herein to select a prospective Contractor(s). All proposals will be evaluated based on the criteria listed below. Proposals will be evaluated by service delivery site and scored and ranked in numerical sequence from high to low. Upon completion of ranking, funds will be allocated taking into account target populations and/or geographic area needs. The County may also, at its option, invite Proposer(s) being evaluated to make a verbal presentation or conduct site visits, if appropriate. The Evaluation Committee may utilize the services of appropriate experts to assist in this evaluation.

The evaluation process will be conducted in three (3) Stages:

Stage 1: Adherence to Minimum Mandatory Qualifications (Pass/Fail)

Stage 2: Proposal Evaluation  
Stage 3: Final Review and Selection

After prospective Contractors have been selected, the County and the prospective Contractors will negotiate a Contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory Contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.

The recommendation to award a Contract will not bind the Board of Supervisors to award a Contract to the prospective Contractor.

The County retains the right to select a proposal other than the proposal(s) receiving the highest number of points if County determines, in its sole discretion, another proposal is qualified, cost-effective, responsive, responsible, and/or meets a service delivery site need based on population and/or area to be served, and/or is in the best interests of the County.

County also reserves the right to waive any informality, minor irregularities, or immaterial defects in proposals as determined by County if the sum and substance of the Proposal is present. Where County waives informality, minor irregularities, or immaterial defects, such waiver shall in no way modify the RFP specifications, and other requirements, if Proposer is awarded a contract.

## **8.2 Stage 1 Review: Adherence to Minimum Mandatory Qualifications (Pass/Fail)**

Adherence to minimum mandatory qualifications will consist of a review of the information provided in Proposer's Exhibit 1 – Proposer's Organization Questionnaire/Affidavit, submitted in Section A.1 of the proposal, and Proposer's information provided in Appendix L, Proposer's Minimum Mandatory Qualifications Form, submitted in Section A.2 of the proposal, to determine if the Proposer meets all of the Minimum Mandatory Qualifications as outlined in RFP Paragraph 3.0., Minimum Mandatory Qualifications. Proposer must "Pass" each of the Minimum Mandatory Qualifications in order to "Pass" the Stage 1 Review.

This section of the evaluation is scored on a “Pass” or “Fail” basis. Proposals that are assigned a score of “Fail” in the Adherence to Minimum Mandatory Requirements shall be deemed unresponsive and disqualified and shall not proceed to the next phase of the evaluation process.

Proposals that pass Stage 1 of the evaluation will proceed to Stage 2 as outlined in RFP Section 8.4.

### **8.3 Disqualification Review**

A proposal may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that a proposal is disqualified due to non-responsiveness, the Department shall notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Proposer;
2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

Proposer can also be disqualified for non-responsibility – See Section 5.8.

## **8.4 Stage 2 Review: Proposal Evaluation and Criteria (1,000 Points)**

Proposals that pass Stage 1 will be evaluated as follows:

### **8.4.1 Proposal Part 1 – Administrative Section (30 Points)**

#### **Proposer's Qualifications**

Proposer will be evaluated on the verification of references provided on Appendix D, Required Forms, Exhibit 2, Prospective Contractor References. In addition to the references provided, a review will include the County's Contract Database and Contractor Alert Reporting Database, reflecting past performance history on County or other contracts. This review may result in point deductions up to 100% of the total points awarded in this evaluation category.

In addition, a review of terminated contracts will be conducted which may result in point deductions, based on the information provided on Appendix D, Required Forms, Exhibit 4, Prospective Contractor List of Terminated Contracts. This review may result in point deduction(s).

##### **2. Proposal Section A.4 - Proposer's Pending Litigation**

A review will be conducted to determine the significance of any litigation or judgments pending against the Proposer based on the information provided in Section A.4 of the proposal. This review may result in point deduction(s).

##### **3. Proposal Section A.5 - Financial Capability**

Subject matter experts will evaluate and make a recommendation based on the financial strength and capability of the company in the provision of required services throughout the term of any resultant Contract, as well as evidence of the company's capability to absorb all costs related to the provision of services for a minimum of sixty (60) days, during any

resultant Contract. Financial statements that do not demonstrate financial strength or meet the sixty day requirement may result in a deduction of 30 points from the total points awarded in the Proposer's Qualifications evaluation category.

4. Proposal Section B - Terms and Conditions in the Sample Contract and Requirements of the Statement of Work (SOW): Acceptance of / or Exceptions

Based on the information provided in Section B of the proposal, Proposer will be evaluated on its willingness to accept the Terms and Conditions outlined in the Sample Contract, Appendix C, and the Requirements of the Statement of Work outlined in Appendix A. The County may deduct rating points or disqualify the proposal in its entirety if the exceptions are material enough to deem the proposal non-responsive.

Proposer is further notified that the County may, in its sole determination, disqualify any Proposer with whom the County cannot satisfactorily negotiate a Contract.

5. Proposal Section C - Required Forms

## **8.5 Stage 3: Final Review and Selection**

The final review and selection will consist of the following:

- Proposal's final score will be calculated, based on Proposal's Stage 2 composite score.
- Proposals will be ranked from highest to lowest score. Up to 4 of the highest ranking Proposers shall be considered for recommended funding allocations review.

Available funds and the number of awards are estimates and are subject to change. The County reserves the right to adjust the number of awards and the funding allocations based on service, target populations and geographic area needs, and the availability of funding.

**Note:** At the County's sole discretion, any proposal other than the highest ranking proposals may be considered for selection, if it is determined that the proposal is qualified, cost-effective, responsive, responsible, and/or meets a service need based on target populations and/or geographical area needs, and/or is in the best interests of the County.

- Optional pre-decisional site visit review may be conducted.

- Recommended Funding Allocations Review will be conducted.

The selected Proposers, pursuant to RFP sub-paragraph 8.5, Final Review and Selection, will be reviewed for recommended funding allocations. The Recommended Funding Allocations Review will be conducted by an Internal Funding Review Committee comprised of selected personnel from DHSP's executive management team.

Inevitably, there will be more funding requested than the amount of funding available. The County's goal is to make funding recommendations most likely to provide services in the most efficient and successful manner, based on the RFP requirements.

Once a funding recommendation has been determined, the County will notify the Proposer's Executive Director, CEO, or designated Board Member of its funding recommendation and any other pertinent information. #### **8.6 Cost Proposal Evaluation Criteria (Intentionally Omitted)**

#### **8.7 Labor Law/Payroll Violations (Intentionally Omitted)**

## **8.8 Department's Proposed Contractor Selection Review**

### **8.8.1 Departmental Debriefing Process**

Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Section 8.8.2 below), if the requesting Proposer is not satisfied with the results of the Debriefing.

### **8.8.2 Proposed Contractor Selection Review**

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in this Section may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Proposed Contractor Selection Review is a Proposer;
2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);
3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
  - a. The Department materially failed to follow procedures specified in its solicitation document. This includes:
    - i. Failure to correctly apply the standards for reviewing the proposal format requirements.
    - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
    - iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
  - b. The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended contractor.
  - c. A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
  - d. Another basis for review as provided by state or federal law; and
4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. term's annual base maximum obligation; and 3) make modifications to or within budget categories within each budget, as reflected in Exhibit C, up to an adjustment between all budget categories, and make corresponding service adjustments, as necessary. Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and billings to County that an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocation as allowed under this Paragraph may be effective upon amendment execution or at the beginning of the applicable contract term, to the extent allowed by the funding source and as authorized by the County's Board of Supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County's Board of Supervisors. The County's Board of Supervisors; the Chief Executive Officer or designee; or applicable State and/or federal entities, laws, or regulations may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract to comply with changes in law or County policy. C. The National Defense Authorization Act for fiscal year 2013, enacted January 2, 2013, mandates a Pilot Program for Enhancement of Contractor Employee Whistleblower Protections that requires that all grantees, their subgrantees, and subcontractors: to inform their employees working on any federal award that they are subject to the whistleblower rights and remedies of the pilot program; to inform their employees in writing of the employee

66. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM: Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 35, CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM, herein, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to, Paragraph 67, TERMINATION FOR DEFAULT, herein, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

67. TERMINATION FOR CONVENIENCE: The performance of services under this Contract may be terminated, with or without cause, in whole or in part, from time to time when such action is deemed by County to be in its best interest. Termination of services hereunder shall be effected by delivery to Contractor of a thirty (30) calendar day advance Notice of Termination specifying the extent to which performance of services under this Contract is terminated and the date upon which such termination becomes effective.

After receipt of a Notice of Termination and except as otherwise directed by County, Contractor shall:

A. Stop services under this Contract on the date and to the extent specified in such Notice of Termination; and

B. Complete performance of such part of the services as shall not have been terminated by such Notice of Termination.

Further, after receipt of a Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than sixty (60) calendar days from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

Contractor for a period of five (5) years after final settlement under this Contract, in accordance with Paragraph 15, RECORD RETENTION AND AUDITS, shall retain and make available all its books, documents, records, or other evidence, bearing on the costs and expenses of Contractor under this Contract in respect to the termination of services hereunder. All such books, records, documents, or other evidence shall be retained by Contractor at a location in Los Angeles County and shall be made available within ten (10) calendar days of prior written notice during County's normal business hours to representatives of County for purposes of inspection or audit.

68. TERMINATION FOR DEFAULT: County may, by written notice of default to Contractor, terminate this Contract immediately in any one of the following circumstances:

A. If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Contract or any extension thereof as County may authorize in writing; or

B. If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two (2) circumstances, does not cure such failure within a period of five (5) calendar days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County for such similar services.

If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Contractor was not in default under the provisions of this paragraph, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 66, TERMINATION FOR CONVENIENCE.

The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

69. TERMINATION FOR GRATUITIES AND/OR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Contract, if it is found that gratuities or consideration in any form, were offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent, with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment, or extension of the Contract, or making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could in the event of default by Contractor.

Contractor shall immediately report any attempt by a County officer, employee, or agent, to solicit such improper gratuity or consideration. The report shall be made either to the County manager charged with the supervision of the employee or agent, or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

(Among other items, such improper gratuities and considerations may take the form of cash, discounts, services, the provision of travel or entertainment, or other tangible gifts.)

70. TERMINATION FOR INSOLVENCY: County may terminate this Contract immediately for default in the event of the occurrence of any of the following:

A. Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether Contractor has committed an act of bankruptcy or not, and whether Contractor is insolvent within the meaning of the Federal Bankruptcy Law or not;

B. The filing of a voluntary or involuntary petition under the federal Bankruptcy Law;

C. The appointment of a Receiver or Trustee for Contractor;

D. The execution by Contractor of an assignment for the benefit of creditors.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

71. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract

shall terminate as of June 30 of the last fiscal year for which funds were appropriated.

The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

72. NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT:

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary under this Contract.

73. TIME OFF FOR VOTING: The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

74. UNLAWFUL SOLICITATION: Contractor shall require all of its employees performing services hereunder to acknowledge in writing understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of the Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral services of all those bar associations within Los Angeles County that have such a service.

75. VALIDITY: If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

76. WAIVER: No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

77. WARRANTY AGAINST CONTINGENT FEES:

A. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

B. For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

78. WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

79. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 77, WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM, herein, shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

### GUIDELINES FOR STAFF TUBERCULOSIS SCREENING

#### INTRODUCTION

Tuberculosis (TB) is a contagious infection in humans transmitted largely by airborne particles containing the TB bacillus, *Mycobacterium tuberculosis*, produced by a person with the active disease and inhaled into the lungs of a susceptible individual. Infected individuals have a relatively low overall risk (10%) of developing active disease unless they have one of several host deficiencies which may increase this risk. Today, infection with the human immunodeficiency virus (HIV) presents the greatest risk of developing active tuberculosis disease following infection with the TB bacillus. Preventing transmission of tuberculosis and protecting the health of clients, patients, or residents and employees, consultants, and volunteers of HIV/AIDS service providers is the major goal of these guidelines.

These guidelines are based on the current recommendations of the federal Centers for Disease Control (CDC), State Department of Health Services (Tuberculosis Control Program and Office of AIDS), and were developed collaboratively by Los Angeles County - Department of Public Health, Tuberculosis Control Division of HIV and STD Programs.

#### POLICY

Agencies with which County contracts to provide HIV/AIDS services in non-clinical settings shall obtain and maintain documentation of TB screening for each employee, consultant, and volunteer. Only persons who have been medically certified as being free from communicable TB shall be allowed to provide HIV/AIDS services.

#### IMPLEMENTATION GUIDELINES

- I. All employees, consultants, and volunteers working for an agency providing services to persons with HIV disease or AIDS **and** who have routine, direct contact with clients, patients, or residents shall be screened for TB at the beginning date of employment or prior to commencement of service provision and annually (12 months) thereafter.
  - A. If an employee, consultant, or volunteer has completed TB screening with his or her own health care provider within six months **of the beginning date of employment**, the Contractor may accept certification from that provider that the individual is free from active TB.
  - B. For purposes of these guidelines, "volunteer" shall mean any non-paid person providing services either directly for clients, patients, or residents or as part of general duties such as housekeeping and meal preparation **and** these services are provided by such individual more frequently than one day a week and/or longer than one month duration.
- II. Contractor shall be provided documentation by its new employees, consultants, and volunteers proof that they have completed the initial and annual TB screenings. The documentation may include the negative results of a Mantoux tuberculin skin test or Interferon Gamma Release Assay (IGRA) or certification from a physician/radiologist that an individual is free from active TB. This information shall be held confidential. (Note: Use of the IGRA for screening health care workers requires a grant of program flexibility from the California Department of Health Services, Licensing and Certification. Please contact your local Licensing and Certification office for more information on how to obtain a grant of program flexibility.

- A. At the time of employment or prior to commencement of service provision, all employees, consultants, and volunteers shall submit to Contractor the results of a Mantoux tuberculin skin test recorded in millimeters of induration or results of IGRA testing.
    - 1. If the tuberculin skin or IGRA test is positive, the individual must be examined by a physician, obtain a baseline chest x-ray, and submit a physician's written statement that he or she is free from communicable TB.
    - 2. A person who provides written documentation in millimeters of induration of a prior positive tuberculin skin test or IGRA need not obtain a pre-employment tuberculin skin test, but is required to obtain a chest x-ray result and submit a physician's statement that he or she does not have communicable TB.
  
  - B. At least annually or more frequently (as determined by TB Risk Assessment), each employee, consultant, and volunteer with a previously negative tuberculin skin test shall obtain another Mantoux tuberculin skin test or IGRA and submit to Contractor the results of such test. For the tuberculin skin test, results must be recorded in millimeters of induration.
    - 1. If this annual tuberculin test or IGRA is newly positive, the person must have a baseline chest x-ray and submit a physician's written statement that he or she is free from communicable TB.
    - 2. Persons with a documented history of a positive tuberculin skin test or IGRA and a negative chest x-ray shall be exempt from further screening unless they develop symptoms suggestive of TB. Persons with a history of TB or a positive tuberculin test are at risk for TB in the future and should promptly report to their employer any pulmonary symptoms. If symptoms of TB develop, the person should be excused from further service provision and medically evaluated immediately.
  
  - C. Contractor shall consult with Los Angeles County - Department of Public Health, Tuberculosis Control Office if any employee, consultant, or volunteer is shown to have converted from a negative tuberculin skin test to a positive tuberculin skin test or IGRA negative result to a positive result while working or residing in its facility.
  
  - D. Contractor whose agency or facility are in the jurisdictions of the City of Long Beach Health Department or the City of Pasadena Health Department shall consult with their local health department if any employee, consultant, or volunteer is shown to have converted from a negative tuberculin skin test to a positive tuberculin skin test or IGRA negative result to a positive result while working or residing in its facility.
- III. Contractor shall maintain the following TB screening documentation for each employee, consultant, and volunteer in a confidential manner:
- A. The results of the Mantoux tuberculin skin test or IGRA, baseline chest x-ray (if required), and physician certification that the person is free from communicable TB obtained at the time of employment or prior to service provision;
  - B. The results of the annual Mantoux tuberculin skin test or IGRA or physician certification that the person does not have communicable TB; and
  - C. The date and manner in which the County Tuberculosis Control Office, City of Long Beach Health Department, or City of Pasadena Health Department was notified of the following:
    - 1. Change in the tuberculin skin test or IGRA result from negative to positive;
    - 2. Person who is known or suspected to have a current diagnosis of TB; and
    - 3. Person who is known to be taking TB medications for treatment of disease only.

- D. Contractor shall develop and implement a system to track the dates on which the initial and annual TB screening results or physician certifications for each employee, consultant, and volunteer are due and received. The system shall include procedures for notifying individuals when the results of their TB screening are due.
- IV. Contractor is responsible for implementing an organized and systematic plan for ongoing education for its employees, consultants, and volunteers about the following:
- A. The risks of becoming infected and transmitting TB when a person has HIV disease or AIDS.
  - B. The early signs and symptoms of TB which may indicate an individual should be seen by his or her physician.
  - C. Ways to prevent the transmission of TB within the facility and to protect clients, patients, or residents and employees, consultants, and volunteers.
  - D. The information that Contractor is required to report to the local health department.
- V. Contractor may consult with the Los Angeles County - Department of Public Health, Tuberculosis Control Office at (213) 744-6151 to enlist their assistance in implementing the educational program. Those Contractors with agencies or facilities in Long Beach or Pasadena may consult with their local health department for such assistance.

## **RYAN WHITE PROGRAM GRIEVANCE PROCEDURES**

### **Section 1 – Legislative Requirements**

Section 2602 (c)(2) of the Ryan White Treatment Modernization Act of 2006 requires Part A Grantees to develop mandatory grievance procedures related to funding decisions, including procedures for submitting grievances that cannot be resolved to binding arbitration. The legislation requires that these procedures be consistent with model grievance procedures developed by HRSA, which address grievances with respect to Ryan White funding. HRSA expects Grantee and Planning Council grievance procedures to be coordinated.

### **Section 2 – Definitions**

Definitions used in these procedures are provided in Exhibit K.

### **Section 3 – Purpose**

The Grantee's grievance policy is designed to provide a process that:

- A. Enables eligible individuals or entities to exercise their rights to file an informal complaint or a formal grievance with regard to specific Grantee policies and procedures and their implementation;
- B. Prevents avoidable grievances and resolves complaints at the informal level whenever possible;
- C. Ensures that each complaint or grievance is addressed and resolved fairly and quickly, and;
- D. Meets HRSA requirements and represents sound practice for an Eligible Metropolitan Area (EMA).

#### **Section 4 – Who May File a Grievance**

Entities and individuals within the Los Angeles EMA who are directly affected by the outcome of a decision related to funding are eligible to file a grievance. This may include:

- A. Providers of HIV-related services that are eligible to receive Ryan White Part A or Part B funds, including Minority AIDS Initiative funds;
- B. The Planning Council.

#### **Section 5 – Eligible Grievances**

- A. Directly affected parties may file a grievance with regard to either of the following:
  - 1. Deviations from the Grantee's established contracting and awards process and;
  - 2. Deviations from the established process for any subsequent changes to the selection of contractors or awards.
- B. The Planning Council may file a grievance with regard to either of the following:
  - 1. Contracts and awards not consistent with priorities (including any language regarding directives on how best to meet those priorities) and resource allocations made by the Planning Council, and
  - 2. Contract and award changes not consistent with priorities and resource allocations made by the Council.

#### **Section 6 – Prospective Implementation of Settlements**

Any settlement reached through mediation or arbitration shall involve prospective (future) change and no retroactive activities. It shall not require reversal of procurement

decisions already made. For example, if a mediation or arbitration agreement requires changes in the Grantee's procurement process, the Grantee must use the new process in future procurement activities, but is not required to re-do the prior procurement process.

## **Section 7 – Dispute Prevention and Early Resolution**

A. The Grantee recognizes that the best way to deal with grievances is to prevent them. The Grantee shall make all reasonable efforts to prevent circumstances or situations within the procurement processes that could give rise to a grievance.

B. Dispute prevention efforts shall include at least the following:

1. Availability of a written description of the Grantee's procurement policies and procedures.

2. Training for new Grantee staff and for all independent review panel members each year, to ensure that they understand and are prepared to follow established review policies, processes, and procedures, including related policies and procedures such as conflict of interest.

3. Discussion of the procurement process and related policies each year at a bidder's conference, if one is held.

4. Specific opportunities for interested parties, including bidders and review panel members, to provide feedback on the procurement process and its implementation.

C. When potential grievances arise, first steps shall involve informal conflict resolution efforts before the concern becomes a grievance. This mandatory process includes the following:

1. The Part A Program Administrator [Director of Division of HIV and STD Programs (DHSP)] or identified designee [described throughout as the "Grantee representative (DHSP Quality Management (QM) staff)"] shall serve as the Grantee's designated point of contact for an affected party with concerns about procurement or related processes that might

become a grievance. An affected party that appears to have standing to file a grievance and has concerns regarding adherence to established processes that are covered by these grievance procedures shall be encouraged to express these concerns to the Grantee representative (QM Staff) at the earliest opportunity. The contact must be made within ten (10) business days after the disputed situation occurred or after the decision was announced.

2. In any situation where the assigned Grantee representative (QM Staff) has a real or perceived conflict of interest or is unable to play a neutral role, the next highest ranking Grantee representative shall handle that situation.

3. The Grantee representative (QM Staff) shall log all such contacts and discussions, recording the date, affected party name and contact information, concerns expressed, and the date of the event that led to the concerns.

4. The Grantee representative (QM Staff) shall meet with the affected party to review the expressed concerns. The discussion will occur within five (5) business days after the concerns are brought to the attention of the Grantee representative (QM Staff). The Grantee representative (QM Staff) shall be prepared to explain the procurement process used and clarify how it works, and to provide other information as appropriate. The Grantee representative (QM Staff) may involve other Grantee staff as needed. Where possible, the affected party's concerns will be resolved through this discussion. The Grantee representative (QM Staff) will summarize the discussion in writing and provide the report to the QM Chief.

5. If these efforts do not resolve the concerns, the Grantee representative (QM Staff) will ensure that the affected party receives written information about the grievance process, timeframes, and how to file a grievance.

## **Section 8 – Overview of Formal Grievance Process**

Formal grievances will be handled through the following steps, each of which may lead to a resolution. If that step is not successful, the grievant may move to the next step. The steps include:

- A. An internal review to determine standing under these procedures,
- B. A meeting between the grievant and the Grantee representative (QM Staff) to seek a resolution to a grievance,
- C. Non-Binding mediation, and
- D. Binding arbitration.

## **Section 9 – Filing a Grievance**

A. The affected party must submit a written Grievance Intake Form within ten (10) business days after the mandatory informal dispute resolution. (The form is provided within Exhibit K.) If no Grievance Intake Form is submitted within this period, the affected party will lose the right to file a grievance.

B. The completed form must be received by the Grantee office within ten (10) business days by U.S. mail with return receipt requested, electronic mail (with electronic signature), fax, or personal delivery during normal business hours.

C. Each eligible grievance must have an individual grievance intake form and undergo an individual process. Eligible grievances filed separately shall not be combined in a single grievance process.

D. Grantee representative (QM Staff) will log in the grievance, and within two (2) business days after receipt will inform the grievant that the grievance has been received and provide a written summary of the grievance process, including steps, forms, and timelines.

E. Grantee representative (QM Staff) will provide copies of the grievance to DHSP Director or designee and the QM Chief within two (2) business days after receipt.

## **Section 10 – Internal Review and Meeting**

A. The QM Chief shall review the grievance within three (3) business days after receiving it, to determine whether the affected party is an eligible grievant and whether the situation described represents an eligible grievance.

1. The grievant will be informed of the decision within two (2) business days after the decision about standing is made. If the grievance is rejected, the letter must explain the reasons for the rejection and inform the grievant that s/he has ten (10) days after the date of the letter of rejection to contact the Grantee office to appeal the decision.

2. If the grievant and grievance are determined to have standing, the QM Chief will contact the grievant within five (5) business days after receipt, to arrange a meeting to review the merits of the grievance and attempt to resolve the grievance.

B. The QM Chief shall conduct a review of the circumstances and information available regarding the grievance. This will generally require reviewing the facts of the situation with appropriate Grantee staff to obtain their perspectives and their description of whether the County's procurement policies and procedures were followed, and if not, what happened, in preparation for a meeting with the grievant.

C. The QM Chief shall then schedule a meeting during which the grievant shall have the opportunity to provide additional information and answer questions posed by the QM Chief. The QM Chief may arrange for other Grantee staff to participate in the meeting. Based on the meeting, the QM Chief shall make his/her judgment regarding the grievance and how it should be resolved. The decision shall be made and sent to the grievant by certified mail, within three (3) business days after the date of the meeting.

D. If the grievant finds the report and proposed resolution satisfactory, the grievant will indicate acceptance by signing one copy of the report and returning it to the staff.

E. If the grievant's complaint is denied or if the grievant is not satisfied with the resolution in the report, the grievant must request formal non-binding mediation as the next step.

## **Section 11– Non-Binding Mediation**

A. The grievant shall have ten (10) business days from the date of receipt of the written report from the QM Chief to request mediation, using a Request for Non-Binding Mediation Form (included in Exhibit K). The form may be delivered to the Grantee office via U.S. mail, return receipt requested, electronic mail (with electronic signature), fax, or personal delivery during normal business hours.

B. If the Grantee representative (QM Staff) does not receive a Request for Non-Binding Mediation Form from the grievant within ten (10) days, the grievant will waive all further rights to grieve the issue and all associated issues.

C. Grantee representative (QM Staff) shall log in the request for mediation, and within two (2) business days after receipt, inform the grievant that the request has been received.

D. The Grantee representative's office shall seek a mediator with County Counsel's assistance. Within ten (10) business days after receipt of the request for mediation, Grantee representative (QM Staff) shall provide the grievant the name of a neutral person who is skilled in mediation and lives in the EMA. This neutral person shall not have been involved with the decision that is the subject of the grievance and shall have no direct interest in the outcome of the grievance process. The grievant and the Grantee shall both have the opportunity to request a different mediator if the grievant or any Grantee staff involved in the prior review of the grievance is acquainted with the mediator or feels s/he is not neutral.

E. Upon appointment, the mediator shall, within five (5) business days, contact the grievant and Grantee and agree on a day, time, and location of the initial mediation meeting. The QM Chief or designee shall represent the Grantee in the mediation. The mediation meeting shall be scheduled within ten (10)

business days after this first contact with the mediator. The mediator shall review the written report and other information on the circumstances and information available regarding the grievance. The mediator may ask each of the two parties to provide a brief memorandum setting forth its position with regard to the issue(s) that need to be resolved. The mediator may share the memorandum with the other party with the consent of the party that prepared the memorandum. The mediator will facilitate a meeting between the parties to assist them in obtaining a resolution of the grievance. If the grievance is resolved, the mediator will prepare, and both parties will indicate acceptance by signing, a statement of resolution. If the mediator is unable to help the parties reach resolution or determines that an impasse has been reached, both parties will be so informed in writing. The written statement of resolution or impasse will be provided to the grievant and Grantee within five (5) business days after the mediation meeting.

F. At this point either party may request binding arbitration, with the understanding that the decision of the arbitrator will be final and binding on both parties.

## **Section 12 – Binding Arbitration**

A. The grievant may submit a Request for Binding Arbitration to the Grantee office (form included within Exhibit K). The completed form must be received by Grantee representative (QM Staff) within ten (10) business days after the mediation ends. It may be submitted to the office in writing via U.S. mail, return receipt requested, electronic mail (with electronic signature), fax, or personal delivery during normal business hours.

B. If the Grantee representative (QM Staff) does not receive a written form requesting arbitration from the grievant within the specified period, the grievant will waive all further rights to grieve the situation.

C. Grantee representative (QM Staff) shall log in the request for arbitration, and, within two (2) business days after receipt, shall inform the grievant, DHSP Director, and the QM Chief that the request has been received. The QM Chief or designee may represent the Grantee in the arbitration process. Grantee representative (QM Staff) shall request a neutral arbitrator through the American Arbitration Association (AAA), or through a service identified appropriate by County Counsel, and the arbitration will be in accordance with the standards of the AAA. The AAA (or other arbitration service) will provide the name of a disinterested person who is skilled in the process of arbitration and lives in the EMA to the Grantee designee and grievant within five (5) business days after the Request for Binding Arbitration Form is received. This neutral person shall have had no involvement in the process that is the subject of the grievance nor will s/he have any direct interest in the outcome of the grievance process. The grievant and the Grantee representative (QM Staff) shall each approve the arbitrator or request a different arbitrator if the grievant or Grantee representative (QM Staff) is acquainted with the arbitrator or questions his/her selection.

D. Once the arbitrator has been accepted by both parties, s/he shall within three (3) business days contact the grievant and Grantee representative (QM Staff) and agree on the date, time, and location for an arbitration meeting. A meeting will be scheduled within fifteen (15) business days.

E. The grievant and the Grantee have the rights to be informed by the other parties of the statement of issues and resolutions, and within five (5) business days before the arbitration meeting, to be in receipt of the other parties' exhibits and documentations not previously presented.

F. The arbitrator will review correspondence, records, or documentation related to the process that is the subject of the grievance, including materials from the mediator. The arbitrator may ask the two parties to provide additional information related to the grievance, either before or after the meeting.

G. Within seven (7) business days after the arbitration meeting, the arbitrator will deliver to the grievant and the Grantee an arbitration summary and decision, signed by the arbitrator. This decision will resolve the grievance.

H. Within three (3) days of receipt of the arbitrator's decision, all parties shall be required to sign one copy of the decision, which shall be binding on both parties.

### **Section 13 – Summary of Time Frames**

A. An affected party shall initiate the mandatory informal resolution within ten (10) business days after a grievable Grantee procurement event or action occurs. The affected party will have ten (10) business days after the informal resolution process to file a formal grievance related to that event or action.

B. The time frames for the grievance resolution process are summarized below.

1. **Grievance prevention and early intervention** – five (5) business days after a concern is raised with the Grantee representative (QM Staff)

2. **Internal non-binding procedures** – seven (7) business days after the grievance is filed to determine whether the grievance has standing, and an additional twenty (20) days for the QM Chief to hold a meeting and attempt to obtain a resolution of the grievance,

3. **Non-binding mediation** – twenty-five (25) business days after the mediation request is received by the Grantee to reach a resolution or an impasse, and

4. **Binding arbitration** – thirty (30) days after the arbitration request form is received by the Grantee to obtain a binding resolution from the arbitrator.

C. Time frames identified in this procedure may be altered only through mutual agreement of both parties, provided in writing.

## **Section 14 – Costs**

The costs for grievances shall be as follows:

- A. There shall be no cost for an informal discussion or for the internal review process.
- B. The fees and costs of the Arbitrator will be split between the Grievant and the Administrative Agent's Office in accordance with the fees and cost schedules set forth by the rules of one arbitrations format (i.e., Commercial Arbitration Rules and Mediation Procedures, year 2008) or the American Arbitration Association. No decision issued by an arbiter shall include an assessment of fees and costs against either the grieving party or the respondent.
- C. Both parties will be responsible for costs related to their own participation in the grievance resolution process, including costs related to any witnesses or documents they choose to bring forward.

## **Section 15 – Grantee Action Following Resolution of Grievances**

Following any agreement reached regarding a grievance against the Grantee, the QM Chief, DHSP Director or designee, and Grantee representative (QM Staff) will meet to discuss the nature of the grievance and the settlement. This meeting will include discussion to clarify whether the agreement was made through internal dispute resolution efforts, mediation, or binding arbitration. Focus will be on ensuring an understanding of the terms of the agreement and all required or desirable actions to be taken by the Grantee to fully meet these terms and to avoid similar situations in the future. The Grantee will take action to ensure clear responsibility for ensuring that all provisions of the agreement are met within a time period specified in the agreement or, if no time period is included in the agreement, within a time period determined at the meeting.

## **Section 16 – Confidentiality and Protections**

- A. **Confidentiality:**

1. Mediators and arbitrators shall not divulge confidential information disclosed to them by the parties during mediation or arbitration, or share related records, reports, or other documents received, except that the mediator may provide such information to the arbitrator.

B. **Protections:** A grievant shall not be discriminated against nor suffer retaliation as a result of filing a grievance in good faith or participating in the investigation of a grievance.

### **Section 17 – Involvement of County Counsel and Planning Council**

A. **County Counsel:** The Grantee representative (QM Staff) shall keep the County Counsel, as a representative of the Grantee, informed about all active grievances. At his/her discretion, the County Counsel may receive copies of written documents related to a grievance, and be present at meetings held at each level of the formal grievance process, including internal meetings, mediation, and arbitration. The Grantee representative (QM Staff) shall request advice and assistance from the County Counsel as needed throughout the grievance process.

B. **Planning Council:** The Grantee shall inform the Planning Council staff when a grievance is received, and shall mention active grievances and the resolution of grievances when providing the Grantee report to the Planning Council. The Grantee shall not identify the grievant or provide details of the grievance.

## **Definitions**

This includes the grievant (the group or individual that brings the grievance action), and the respondent, (the entity against which the grievance is brought). In these grievance procedures, the second party, the respondent, is the Grantee, the County of Los Angeles Department of Public Health, Division of HIV and STD Programs.

**Remedy** – The relief or result sought by a grievant in bringing a grievance. It can include a process change, monetary damages, or (in some situations) a reversal of a decision. In this EMA, remedies are prospective, which means they apply to future funding-related decisions, but do not apply retroactively, to past funding decisions.

**Standing** – A term referring to the eligibility of an entity or individual to bring a grievance. In the case of Ryan White Part A or Part B grievances, an entity or person that is directly affected by the decision has standing to challenge a Grantee or Planning Council decision with respect to funding.

**With Respect to Funding** – Refers to the types of grievances that must be covered under this Grantee grievance policy, including deviations from the Grantee's established contracting and awards process or subsequent changes in contractors or awards, or contracts and awards or changes in these contracts or awards that are not consistent with the priorities, directives, and resource allocations made by the Planning Council.

## **Los Angeles County Ryan White Program Grievance Intake Form**

**Grievances and the Right to File a Grievance:** Grievances may be filed with the County of Los Angeles Department of Public Health Division of HIV and STD Programs, Ryan White program administrative agency (the “Grantee”), regarding the following:

1. Deviations from the Grantee’s established contracting and awards process (for example, the selection of a particular provider in a manner inconsistent with the Department of Public Health’s established procurement process), and
2. Deviations from the established process for any subsequent changes to the selection of contractors or awards.
3. Contracts and awards not consistent with priorities (including any language regarding directives on how best to meet those priorities) and resource allocations made by the Planning Council, and
4. Contract and award changes not consistent with priorities and resource allocations made by the Council.

**Eligibility:** You are eligible to file a grievance if you are *directly affected* by the outcome of such a deviation. The following entities and individuals may be “affected parties” and eligible to file grievances:

## **COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESS**

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

### **WE RECOGNIZE. . . .**

#### **The importance of small business to the County. . .**

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

#### **The County can play a positive role in helping small business grow. . .**

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

### **WE THEREFORE SHALL:**

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090  
CONTRACTOR EMPLOYEE JURY SERVICE

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090

**2.203.070. Exceptions.**

## Notice 1015

(Rev. December 2013)

### Have You Told Your Employees About the Earned Income Credit (EIC)?

---

#### What is the EIC?

The EIC is a refundable tax credit for certain workers.

#### Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2013 are less than \$51,567 that he or she may be eligible for the EIC.

#### How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

#### How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

#### How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of \$800, he or she must file a 2013 tax return to get the \$800 refund.

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

### What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

### Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

### Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

### What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

### What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

### Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

## RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 20).

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://oag.ca.gov/> contains much information helpful to regulated charitable organizations.
