

FREE CHDP HEALTH Check-Ups

For Babies,
Children
and Teens

Los Angeles County
Department of Public
Health Child Health and
Disability Prevention
(CHDP) Program

The Child Health & Disability Prevention (CHDP) Program provides free health check-ups to:

- Help children and teens stay healthy
- Find health problems before they become painful and expensive

CHDP Health Check-ups include:

- A head-to-toe exam
- Vision and hearing tests
- Dental screening
- Growth and nutrition screening
- Immunizations (shots)
- Health education
- Blood, urine and other tests as needed

Other CHDP services include:

- Referrals for medical or dental treatment
- Transportation information
- Help when making appointments

Children should have one free health exam during all of these age ranges.
