Ocean Water Use Warning for Los Angeles County Beaches

LOS ANGELES – The Los Angeles County Department of Public Health cautions residents who are planning to visit the below Los Angeles County beaches to avoid swimming, surfing, and playing in ocean waters:

BEACH AREA WARNINGS:

- Malibu Pier in Malibu
100 yards up and down the coast from the pier.
- Malibu Lagoon at Surfrider Beach
100 yards up and down the coast from the public restrooms.
- Castlerock Storm Drain at Topanga County Beach
The entire swim area.
- Pico-Kenter storm drain at Santa Monica Beach. Santa Monica South Tower 20
100 yards up and down the coast from the storm drain.
- Santa Monica Canyon Creek at Will Rogers State beach. Near Will Rogers Tower 18
100 yards up and down the coast from the creek.
- Santa Monica Pier in Santa Monica
100 yards up and down the coast from the pier.
- Mothers Beach in Marina Del Rey.
The entire swim area.
- Inner Cabrillo Beach in San Pedro.
The entire swim area.

These warnings have been issued due to bacterial levels exceeding health standards when last tested.

BEACH AREAS NOW CLEARED:

Warnings have been lifted for the following beach areas where recent sample results identified water quality levels within State standards:

- Leo Carrillo State Beach in Malibu
- Latigo Shore Drive in Malibu
- Marie Canyon Storm Drain at Puerco Beach
- Sweetwater Canyon Storm Drain at Carbon Canyon Beach
- Las Flores Creek at Las Flores State Beach.
- Puerco Canyon Storm Drain at Puerco Beach

Recorded information on beach conditions is available 24- hours a day on the County's beach closure hotline: 1-800- 525-5662. To view the map of impacted locations and for more information, please visit PublicHealth.LACounty.gov/Beach/.

The Department of Public Health is committed to promoting health equity and ensuring optimal health and well-being for all 10 million residents of Los Angeles County. Through a variety of programs, community partnerships and services, Public Health oversees environmental health, disease control, and community and family health. Nationally accredited by the Public Health Accreditation Board, the Los Angeles County Department of Public Health comprises nearly 4,500 employees and has an annual budget of \$1.2 billion.
