# Ocean Water Use Warning for Los Angeles County Beaches

LOS ANGELES – The Los Angeles County Department of Public Health cautions residents who are planning to visit the below Los Angeles County beaches to avoid swimming, surfing, and playing in ocean waters:

### **BEACH AREA WARNINGS:**

- Santa Monica Canyon Creek at Will Rogers State Beach. Near Will Rogers Tower 18  
100 yards up and down the coast from the creek.
- Santa Monica Pier in Santa Monica  
100 yards up and down the coast from the pier.
- Redondo Beach Pier in Redondo Beach  
100 yards up and down the coast from the pier.
- Mothers Beach in Marina Del Rey  
The entire swim area.
- Inner Cabrillo Beach in San Pedro  
The entire swim area.

These warnings have been issued due to bacterial levels exceeding health standards when last tested.

### **BEACH AREAS NOW CLEARED:**

Warnings have been lifted for the following beach areas where recent sample results identified water quality levels within State standards:

- Topanga Canyon Beach in Malibu

Recorded information on beach conditions is available 24- hours a day on the County's beach closure hotline: 1-800- 525-5662. To view the map of impacted locations and for more information, please visit [PublicHealth.LACounty.gov/Beach/](https://PublicHealth.LACounty.gov/Beach/).

The Department of Public Health is committed to promoting health equity and ensuring optimal health and well-being for all 10 million residents of Los Angeles County. Through a variety of programs, community partnerships and services, Public Health oversees environmental health, disease control, and community and family health. Nationally accredited by the Public Health Accreditation Board, the Los Angeles County Department of Public Health comprises nearly 4,500 employees and has an annual budget of \$1.2 billion.
