

Public Health Education Collaborative

Meeting Agenda

Tuesday, August 3, 2010

9:00 AM – 3:30 PM

1000 N. Alameda Ave., LA 90012

Big Sur Room

Collaborative Goal:

Link public health practitioners to people and tools that make health education practice easier and more effective throughout Los Angeles County.

Collaborative Objectives:

- Illustrating at least one component of health education practice through program updates and collaborative work sessions.
- Constructing an evidence base for innovative, effective, and standardized health education practice.

By the end of this session, participants will be able to...

1. Identify the purpose of National Health Education Week.
2. List at least one activity taking place during National Health Education Week.
3. List three potential health effects of diabetes.
4. List three diabetes management techniques.
5. Distinguish between the two types of diabetes.
6. List at least one program managed by the Office of Women's Health.
7. Identify at least one indicator that disproportionately affects women's health in LA County.
8. Discuss recommendations to address health disparities that affect women's health in LA County.

Continuing Education Credits:

- Provider approved by the *National Commission for Health Education Credentialing, Inc.*, Provider #MEP2460 for up to 3 CHES contact hours.
- Nursing CEUs pending approval.
