For questions or more information, please contact the Los Angeles County Department of Public Health:

Childhood Lead Poisoning Prevention Program: 1-800-LA-4-LEAD (1-800-524-5323)

For complaints or questions about recalled candies, please contact the California Department of Public Health:

Food and Drug Branch (FDB): 1-800-495-3232 (Complaint Hotline) or 1-916-650-6500 (Questions/Complaints on Lead in Candy)
For the most up to date information visit the FDB Website: <http://www.cdph.ca.gov/data/Documents/fdbLiCLiC07.pdf>

*The California Department of Public Health, Food and Drug Branch has issued a Health Alert for the candies shown on this flyer. These candies have been found to have lead levels in excess of the allowable level (0.10ppm).

**THE INFORMATION CONTAINED IN THIS DOCUMENT IS SUBJECT TO FREQUENT CHANGE WITHOUT PRIOR NOTICE. This information is effective and accurate only as of the "Last Updated" date at the top of the page, and is only valid until next updated. Some manufacturers may have made changes to their production process and/or ingredients so the results reported above may not accurately reflect the lead levels, if any, in these products currently on the market. Data presented in this document is for information purposes only, does not include all candies, and represents lead levels only in the candy samples tested by the CA FDB since 2008.

***Effective 10/28/2008 - This candy bearing lot code of 'A2191' or greater (for example A2356, B0013, C1365, etc.) is allowed for sale in California.

****This candy was destroyed at the importer's facility, however it may still be found in the marketplace.

*****Effective 10/5/2009 - This candy bearing a sell date of January 2009 or later is allowed for sale in California.

*****Effective 9/28/2010 - This candy IS ALLOWED FOR SALE IN California, EXCEPT FOR LOT #09168
