

FREE SIGHT AND HEARING SCREENINGS SATURDAY OCTOBER 8TH 2011, 8am – 12pm

The **West Covina Lions Club** will provide **FREE Sight and Hearing Screenings** October 8th 2011. To commemorate **White Cane Day**, our **EYEMOBILE** will provide glaucoma, visual acuity screenings and hearing examinations. The screenings are completely **FREE of charge to EVERYONE**. This Sight and Hearing health awareness event is provided once a year during the month of October. The examinations are by a licensed optometrist. Where medical care is necessary, referrals for further treatment may be made.

The Eye Screening Program is one of the elements in our effort to assure optimal vision in our Community. The West Covina Lions Club has taken on the challenge to prevent blindness in our own community. In addition to this program we provide **FREE glasses** to residents of West Covina that qualify. This event is a part of the worldwide effort of Lions International to conquer Blindness.

**Please visit our EYEMOBILE Saturday October 8th,
2011 at the West Covina Farmers Market located by
Firestone at 1035 W. West Covina Pkwy, 91790 West
Covina.**
