\*The estimate is statistically unstable (relative standard error > 25%) and therefore may not be appropriate to use for planning or policy purposes.

<sup>1</sup>Question asked: "During the 12 months before you were pregnant with your new baby, did your husband or partner do any of the following to you? Pushed, hit slapped, kicked or physically hurt you in any way?".

<sup>2</sup>Respondents who answered positively to any of the following questions were coded as "emotionally abused": "During the 12 months before you were pregnant with your new baby, did the following happened to you? - 1. Your husband or partner tried to control your daily activities, for example controlling who you could talk to or where you could go, 2. You felt afraid of your husband or partner, 3. You were repeatedly called names, told that you were worthless, ugly or verbally threatened by your husband".

<sup>3</sup>Respondents who answered positively to at least 4 out of 6 following questions were coded as "have social support": During your most recent pregnancy would you have been able to receive the kinds of help listed below? - 1. Someone to loan me money, 2. Someone to help me if I were sick and needed to be in bed, 3. Someone to listen to me about my problems, 4. Someone to take me to the clinic or doctor's office if I needed a ride, 5. Someone to help me with things I have to do (errands, household tasks, child care), 6. Someone to give me advice and information".
