When preparing for birth, call your facility to ask:

1	Can I bring a partner or support person with me?	8	What will happen if I test positive for COVID-19?
2	If I'm not permitted to have a support person present, what are the facility's policies about having a virtual support person?	9	What will happen if my baby tests positive for COVID-19?
3	If I'm not permitted to have a support person present, how will your staff support me and help manage my emotional and physical needs during labor and delivery?	10	What is the average time frame for post-partum discharge for mom and baby?
		11	What is your facility's policy around visitors after I have my baby?
4	How will my baby and I be protected from COVID-19 during labor and delivery, and what are the policies about wearing a mask for pregnant and post-partum women?	12	Are there any other facility-specific labor and delivery policies that I should be aware of?
5	Do you have a virtual hospital tour to prepare for my labor and delivery?	Wł	nen you arrive, ask:
		1	Have there been any changes in the facility's labor and delivery policies?
6	What am I permitted to bring to the facility with me?	2	While in labor, where am I permitted to move around?
7	Will I be tested for COVID-19?	3	What are the policies around eating and drinking during labor?
