

PURPOSEFUL AGING | AN AGE-FRIENDLY INITIATIVE LOS ANGELES

Announcement May 18, 2016
Supervisor Hilda Solis and Mayor Eric Garcetti

Why is Purposeful Aging Los Angeles Needed?

LOS ANGELES REGION

Only 10 States have an older adult population larger than Los Angeles County

Between 2010 and 2030, the older adult population in the Los Angeles region is expected to double, from approximately 1.1 million to more than 2.2 million individuals

The older adult population is becoming more racially and ethnically diverse than ever before

Life expectancy is increasing: it rose from 75.8 years in 1991 to 81.5 years in 2011

Aging Los Angeles?**

PURPOSEFUL AGING | AN AGE-FRIENDLY INITIATIVE LOS ANGELES

Vision

- To make the Los Angeles region the most age friendly in the world.

Mission

- Purposeful Aging Los Angeles (PALA) - An Age-Friendly Initiative - seeks to prepare the Los Angeles region for a rapidly aging population through an innovative, sustained initiative that unites public and private leadership, resources, ideas and strategies. PALA will improve the lives of older adults and Angelenos of all ages.
