

## ADDITIONAL RESOURCES

### A. Los Angeles County Department of Public Health

#### Office of Women's Health and Office of Health Assessment and Epidemiology

[Health Indicators for Women in Los Angeles County: \*Highlighting Disparities by Ethnicity and Poverty Level\*](#). The second edition of this report, dedicated solely to examining the key indicators of health for women, highlights health disparities between all women in Los Angeles County, and women of different race/ethnicities and poverty levels. It underscores the complex intersectional health needs of women in our communities. (PDF)

#### Office of Senior Health

- i. [The State of Aging and Health Among Older Latinos in Los Angeles 2009](#) (PDF)
- ii. [The Health of Older Angelenos and the Looming Shortage of Health and Aging Services Professionals](#) (PDF)

### B. The Women's Foundation of California

[AGenda for Action: Building a Movement for Elder Women's Advocacy](#). This report presents findings from the Elder Women's Initiative research/ Speak-Outs and concludes with the AGenda for Action—key recommendations and specifically tailored action steps to serve in guiding funders, policymakers, and community organizations in the next steps ahead. (PDF)

### C. [The County of Los Angeles Community and Senior Services, \(CSS\)](#)

CSS is committed to providing services which have positive impacts on the lives of the citizens of Los Angeles County including investigation of abuse claims against our senior and disabled population, nutrition and other life-enhancing services to seniors.

- i. [Network of Care Services Directory](#) An interactive web site and data base of services, online library, tools and other links to aid older residents.
