

**LOS ANGELES COUNTY DEPARTMENT OF PUBLIC HEALTH
SERVICE PLANNING AREA 4 – METROPOLITAN LOS ANGELES**

VACANCY ANNOUNCEMENT

Emergency Preparedness Public Health Nurse

The Emergency Preparedness Public Health Nurse (EPPHN) promotes the well-being of the community by preventing disease, disability, and premature death as a direct result of natural, disasters, man-made disasters and emerging outbreaks, through partnership with community-based organizations to leverage local resources and the coordination of education and training to increase the preparedness level of SPA 4 residents.

The EPPHN will perform the following activities:

- Analyzes assessment data to diagnose and establish internal and external emergency preparedness priorities
- Identifies priority opportunities and utilizes evidence-based information that will enhance action planning priorities associated with emergency preparedness
- Provides and coordinates emergency preparedness training (i.e. CERT and CPR) for community partners within the Service Planning Area based upon identified needs.
- Participates in regular emergency preparedness training, exercises, and drills to effectively respond to natural or man-made disasters.
- Participates in mass vaccination and health education programs to minimize the impact of communicable disease outbreaks within the Service Planning Area.

Minimum Requirements:

- Valid RN license and PHN certificate
- Must currently be a permanent Los Angeles County employee who holds the payroll item of Public Health Nurse for lateral transfer or be reachable on the current PHN list

Desirable Qualifications:

- Strong interpersonal skills
- Self-motivated and flexible
- Strong desire to work with community leaders and groups
- Proficient in Microsoft Office applications (Word, PowerPoint, Excel)
- Strong public speaking skills
