2025 SUD Champions of Change Awards Nomination

Provider Advisory Committee

The Provider Advisory Committee (PAC) established the SUD Champions of Change Awards to recognize and commend the outstanding work in the fields of SUD prevention, harm reduction, and/or treatment. These awards are dedicated to honoring both individuals and organizations that have made a significant and positive impact on those affected by SUDs within the community. Nominations for these awards will be evaluated by the PAC, focusing on the accomplishments achieved by nominees during the 2024-25 period.

The PAC is an advisory panel to the Los Angeles County Department of Public Health, Substance Abuse Prevention and Control (SAPC) Bureau. The committee represents a diverse group of substance use disorder (SUD) service providers across LA County.
