Roles and Responsibilities of CAOD

CAOD Bylaws

ARTICLE IX: COMMITTEES

C: Policy and Planning Committee The Policy and Planning Committee shall have the following responsibilities:

1. Review federal, State and County budgets and their impact on communities and delivery of programs and services in the County and regularly update the Commission on the same;
2. Review and make recommendations on all processes used to ensure citizen and professional involvement at all stages of planning for, delivery of, and evaluation of programs and services for prevention and treatment of alcohol and other drug abuse and addiction;
3. Review and advise on proposed federal, State and local legislation and laws that impact the alcohol and other drugs field and are within the committee's subject matter jurisdiction.

Policy and Advocacy

Board-Directed Federal and State Legislative Priorities

Equity

- Advocate for policies that promote equitable outcomes for historically marginalized and underserved communities.

Health, Public Health, and Behavioral Health

- Provide public health services that protect and promote health among individuals and communities, and address the growing need for prevention, diagnostic, and treatment services for individuals with behavioral and other health conditions.

Housing and Homelessness

- Reduce barriers to housing. Transition residents who are experiencing homelessness into safe, stable, and permanent housing. Implement effective strategies to reduce inflow into homelessness.

Human Services

- Alleviate financial hardship, address food insecurity, provide affordable health care, promote the well-being of families, prevent abuse, exploitation, and neglect, provide aging and disability services, provide child support services, and prevent or mitigate poverty, all while promoting diversity, equity, and inclusion.

Justice, Public Safety, Emergency Management systems

- Support reforms to justice and public safety systems in pursuit of the “Care First, Jails Last” vision. Support preemptive emergency management and response investments.

Federal Policy Updates

Item **E.O. 14379 – Addressing Addiction Through the Great American Recovery Initiative**

Status 1/29/2026 – Signed by the President.

Summary

- Creates the Great American Recovery Initiative, co-chaired by the HHS Secretary and Senior Advisor for Addiction Recovery. The Initiative will:
 - Recommend steps to coordinate the Federal Government's response to the SUD crisis, including by better aligning relevant Federal programs, setting clear objectives, and providing data-driven updates to the public on progress towards meeting those objectives.
 - Take appropriate actions to increase awareness of SUD.
 - Advise executive departments and agencies on how to implement programs.
 - Remove outdated silos between agencies, programs, or systems.
 - Advise agencies on directing appropriate grants to support addiction recovery.
 - Consult with States, tribal nations, local jurisdictions, public and private local organizations, and philanthropic entities on best strategies.

**Item**

H.R. 7148 – Consolidated Appropriations Act, 2026.

Status 2/3/2026 – Signed by the President.

Summary

- Appropriations from the Continuing Resolution that ended the fall government shutdown expired on January 30, 2026. Another appropriation package has not yet been finalized by Congress; thus, a partial government shutdown has occurred.
- HR 7138 funds key federal departments including Health and Human Services.
 - Maintains critical investments in public health at the CDC as well as behavioral health services at SAMHSA.
 - Rejects deep public health funding cuts proposed in the President's FY 2026 Budget Request.
 - Rejects the previous proposals to significantly restructure departments within public health agencies.

**Item**

H.R. 5462 – The Michelle Alyssa Go Act

Status 9/18/2025 – Referred to the House Committee on Energy and Commerce.

Summary

- Revises the definition of institution for mental diseases (IMDs) under the Medicaid program to exclude from such definition institutions having 36 beds or less if such institutions meet certain standards.
 - This change will remove barriers to creating more behavioral health beds
